## **COMMERCIAL SNOW PLOWING**

Premium snow management by Frank Anemone Snow Services, means that your employees, customers, residents, and suppliers arrive safe and sound. Anemone Snow Services, Inc. clears the way for you to conduct business while others are still digging themselves out. Parking areas, access roads, walkways, and entrances get immediate and constant attention throughout snow emergencies with one of the largest Chicagoland assembly of snow removal equipment, manpower, and training. We have full-time certified snow professionals that manage your account 24 hours a day, 7 days per week.

Our snow removal equipment far surpasses any snow service providers' in the Chicagoland. We are equipped to deploy numerous amounts of equipment during any snow event. We focus on utilizing the latest state of the art equipment for providing the most efficient service possible.

Many companies plow snow as a secondary service to compliment their "primary" business. Unfortunately the customer usually ends up learning the hard way when their lot or walks are not plowed, salted properly or provide timely service during daytime snowfalls when the contractor is out working on their "primary" business.
